

Let's Talk About Boundaries:

You are making a field guide for the the shifting tectonic plates on our planet.

1. Include a labeled diagram for the items.
 2. Provide an explanation for each item.
-

1. Convergent Boundaries:
 - a. Ocean - Continental
 - b. Ocean - Ocean
 - c. Continental - Continental
2. Divergent Boundary:
3. Transform Boundaries:
4. Two Fault Types of Your Choice:
