

Sutherland School - McCabe (cmccabe@cps.edu)

Science Fair:

Key Dates and Information

December 4th - 8th: In-Class work time. Students will have time to work on their science fair boards and papers in the classroom. Tri-Fold boards will be available for purchase from Mr. McCabe on Monday the 4th if they are unable to acquire them over the weekend.

December 12th: All science fair materials are due by 3:00pm.

December 13th: The Science Fair will take place in the cafetorium (or room 212) from 9:00 - 10:30am.

Please visit mccabescience.space for science fair resources, examples and help with setting up your board. Click on the science tab and scroll down for “**Science Fair**” support.

Students are responsible for the following items: Abstract (students will be given direct instruction and assistance in class on 12/5 with this portion), **Testable Question, Variables, Hypothesis, Background Research, Materials List, Procedure**, Data Analysis, Results, Conclusion, and Works Cited. The bold items have already been completed and assessed in class.
